Not during my time as H/T. I understand there was an issue whilst Simon was at Wiveliscombe but this was cleared before he started at Chilton Trinity + there were no problems during my time as H/T.

Thank you for your time
Mark Lawrence, Acting Headteacher

Simon has worked hard to improve standards within the ICT Dept. He has led a department with severe staffing issues and this has inevitably impacted on the results of this team. Simon has worked tirelessly to support students + staff but occasionally he has found the pressure of leading a dept. difficult and this has led to him applying for a main-stream classroom role once again. Simon is loyal and always give his time freely to support students out of lesson times. I would be confident that he would be a strong candidate for this position.
